325 Project Model Draft Milestone:

Last Modified date: 12/7/2022

Business Rules:

- Once a customer in Customer_service enrolls in Pro_service, they can add two Pro_beneficiaries to their account. Whether that is a spouse, a friend, or anyone they would like to add to benefit from their unique discount percentage.
- Any customer in Customer_service is welcome to enroll in Pro_service, however, that does not necessarily guarantee the unique discount percentage for them unless they are a usual spender and their Pro_service account is a mature account.
- The unique discount percentage is as follows:
 - Maturity of account: > 1 year AND
 - Spendings above: \$1000
 - Iron discount 10% \$1000+
 - Bronze discount 15% \$2000+
 - Maturity of account: > 1 year AND
 - Spending above: \$3000
 - Silver discount 25% \$3000+
 - Gold discount 30% \$4000+
 - Platinum 40% \$5000+
